

Project: Salem City Regional Recreation Center

Recipient: City of Salem

Location: Salem, Utah

Purpose: South Utah County lacks any kind of community recreational center and many schools, Scout organizations and community clubs must crowd the few local school gymnasiums and pools for meetings and sports practices. This facility will provide opportunities to offer additional recreation programs and a facility for these activities. The requested funds will be used to purchase property and plan for a Salem City Regional Recreation Center which will service all citizens from the south Utah County area.

Amount: \$1,000,000
